About This Collection

These beautiful Geometric images are suitable for printing at up to 3m high allowing for full-wall printing.

The vector format of many of these images allows for unusual uses at any size such as:

- cladding or wallpaper in long wall corridors
- kitchen splashbacks
- counter tops
- fabrics
- carpets

or any other large format use where high resolution is required.

About The Artist

Photo by Alison Harrop

Richard Osbourne is a British photographic artist and designer who specialises in creating art images that are printed at large sizes. A professional photographer since 2003, Richard's artworks are seen by over 8 million people in Britain every year they are on the walls of hospitals, conference centres, offices, leisure centres and private homes.

Richard has created this unique Geometrics Collection to bring these beautiful designs to interiors and products.
